May 23, 2018

Dear Logan Elementary School Families,

Occasionally, based on the needs of the school system, school bell times need to be modified. Often these modifications are needed to accommodate changes in bus routes, new school construction, or other systemic factors that include elementary, middle and high school feeder patterns.

The Office of Transportation has informed us that the arrival and dismissal times for Logan Elementary School will be adjusted by 15 minutes, beginning at the start of the 2018-19 school year. Currently, our doors open for students at 8:55 a.m. with the school day officially starting at 9:10 a.m. **The new school times, beginning in September of 2018, will have us opening our doors to receive students at 9:10 a.m. with the start of the day beginning at 9:25 a.m. We will dismiss at 3:55 p.m.**

All arrival and dismissal procedures will remain in place, however, the start time will shift 15 minutes later, as indicated. At this point in time, we understand that our bus stops will remain the same for our students, however, the times for student pick up and drop off at the bus stop are expected to be 15 minutes later. Additional information regarding bus pick up times will be disseminated in our summer mailing. Please be on the lookout for this information in the summer mailing.

We are working with the BCPS Office of Transportation and the Community Superintendent's Office to ensure a smooth transition for all students and their families. Reminders of this adjustment will continue to be communicated on the school website. Thank you for your partnership and support of Logan Elementary School.

Sincerely,

Jill A. Bender
Principal
