

Language Assistance

Language Line

If you have any questions or concerns, and you need help in a language other than English, please use the following phone number for help calling in your language. You can use this to call your child's teacher, tech support, or any other resource staff you may need to contact!

- Dial 1-866-874-3972
- Provide Client ID 530771
- Indicate the language you speak
- Provide Access Code 505171
- Give the interpreter the phone number you would like to call

Need help with some technology? Go to <https://bcpsone.bcps.org/support/application/> and go to the bottom of the page for your language.
